

supported housing...

The YMCA accommodates a wide range of people, male and female, young and not so young, some of whom come to us because they are in housing need and are supported by a team of housing support workers. We aim to create a dynamic residential community where residents benefit from meeting other people from different backgrounds, cultures and experiences of life.

Applicants who wish to apply for supported housing at YMCA Surbiton need to have a connection with the Royal Borough of Kingston and be referred to the YMCA from the Council's **Homeless Persons Unit, Royal Borough of Kingston, Guildhall 1, Kingston, Surrey, KT1 1EU. Tel No: 020 8547 5460.** To be referred by the Council you need to meet their criteria for being in priority need of housing.
