Why are our day camps so much fun?

The YMCA has a well established reputation for reliable, affordable, good quality care for children. We treat each child as an individual in a safe, supportive and inclusive environment.

Every activity is designed to embody the YMCA ethos of 'Mind, Body & Spirit'; our programmes are a well balanced mix of active and sporty fun, trips out and creative projects for 4 to 12 year olds.

Based at King Athelstan School Kingston, campers can make the most of the sunshine with plenty of outdoor activities and there's a big school hall for rainy days too. Every Tuesday we will be taking a trip out to a local park or attraction (please ask for more details). Each day will be crammed with fun activities to suit everyone, including:

Activities:

Arts & Crafts Cooking
Team Games & Sports Water Games

All our staff are experienced, enthusiastic and have been CRB checked. Our programme fits within the Early Years Foundation Stage Framework and we operate a staff to child ratio of 1:8.

We think we have all the ingredients for a brilliant summer! Perhaps that's why so many of our campers return year after year.

Happy parents write...

"Originally we only booked for a few days, but it turned out to be the best Camp around and my daughter stayed put. We put it down to the play worker's involvement with the children" Ms Chartrand.

"Great variety of indoor and outdoor activities and great feedback from Supervisors. Very happy boy" Ms Ayling.
