## Why are our day camps so much fun?

The YMCA has a well established reputation for reliable, affordable, good quality care for children. We treat each child as an individual in a safe, supportive and inclusive environment.

Every activity is designed to embody the YMCA ethos of 'Mind, Body & Spirit'; our programmes are a well balanced mix of active and sporty fun, trips out and creative projects for 4 to 12 year olds.

Based at **The Mount Primary School** Kingston, campers can make the most of the sunshine with plenty of outdoor activities and there's a big school hall for rainy days too. Every Thursday we will be taking a trip out to a local park or attraction. Each day will be crammed with fun activities to suit everyone, including:

### Activities:

Arts & Crafts  
Team Games & Sports  
Cooking  
Water Games

### Day Trips:

River Thames Trip  
Snakes & Ladders  
Battersea Park Zoo  
Guildford Spectrum  
Littlehampton Beach

All our staff are experienced, enthusiastic and have been CRB checked. Our programme fits within the **Early Years Foundation Stage Framework** and we operate a staff to child ratio of 1:8.

We think we have all the ingredients for a brilliant summer! Perhaps that's why so many of our campers return year after year.

### Happy parents write...

"Originally we only booked for a few days, but it turned out to be the best Camp around and my daughter stayed put. We put it down to the play worker's involvement with the children" **Ms Chartrand.**

"Great variety of indoor and outdoor activities and great feedback from Supervisors. Very happy boy" **Ms Ayling.**
